If a competitor who has posted a two round total score that will qualify for the third round, withdraws before or after the 3rd round draw is made, the competitor’s score will still be used to determine the cut mark. If the cut to 65 and ties after 2 rounds qualifies more than 78 players for the final 2 rounds, then the Tournament Directors may, in their absolute discretion, introduce a further cut after 3 rounds to the leading 72 professionals and ties. The prize money breakdown will be unchanged. i.e. All professionals making the original cut to 65 and ties but missing the 3rd round cut will be paid in accordance with their position after 3 rounds. This will not be implemented if circumstance dictates that there is no re-draw between rounds 3 and 4.
4. Provided they complete 72 holes, a Silver Medal will be presented to the leading Amateur, who will also hold the Freddie Tait Cup for the same period as the winner, and the Amateur who comes second will receive a Bronze Medal.
5. In the event of a tie for the first place in the SA Open, the winner shall be decided by a sudden death play-off. The holes making up the play-off will be decided by the SA Open Committee and posted at the SA Open office prior to the commencement of the final round. In the event of a tie for the Freddie Tait Cup, the best score over the last 36 holes will count; failing that, over the last 18 holes; failing that, over the last 9 holes, and failing that, in such manner as the South African Golf Association (hereafter referred to as “**S.A.G.A**”) may determine.
