

# UMHLALI COUNTRY CLUB

---

15 July 2019

First, I would like to thank everybody for nominating me, it is a great honour and privilege

I have managed Umhlali country Clubs retail and golf facilities since 2011. Our sport shop stock's all major brands and have become the retailer of choice on the north coast due to our competitive pricing. Our motto to running a successful retail facility is not to sell equipment or goods but sell relationships.

My great team and I have ensured that we have a well-manicured golf course and great practice facilities open to the public and encouraging new golfers every day.

We have a relaxed professional environment and embrace families to join our facility to utilise what it has to offer for the whole family

Our experienced golf coaches have great programmes in place for young and old introducing them to the game. Our very successful junior development academy gives the underprivileged a great chance at becoming the future of golf.

We strive to fulfil the needs of our members and guests proving that golf is not just a game but have become a lifestyle.

I continue to be an inspiration to other PGA members to share the same motto and grow the game for many years to come

Yours in golf
