

*Emile Steinmann*

*I have been working for the University of Pretoria at TuksGolf Academies as the Senior Elite Coach since January 2011. I am TPI Level 2, Boditrak and Frankly Frog certified.*

*During my time there I have twice been voted as one of Golf Digest's Top 25 Coaches in South Africa.*

*I have travelled with the national student team to The World University Championship on two occasions, first to the Czech Republic and later to France. I also had the great honour of being the coach for the national team that represented South Africa at the 2017 World Student Games (second biggest event in the world by participation. Only the Olympic Games is bigger) in Taipei.*

*On a local front, I have coached the University of Pretoria's (UP) golf team to numerous national titles including this years event which was played at Humewood. UP managed a clean sweep, winning the Individual Stroke Play, 1st and 2nd in the Team Stroke Play as well as 1st and 2nd in the Team Match Play. A first in the tournaments history.*

*Over the years I have helped develop numerous South African number one ranked amateurs on both the men's and women's divisions.*

*As far as the professionals go, I work with Zander Lombard and Louis de Jager who both predominantly apply their trade on the European Tour and won the Sunshine Tour Order of Merit and PGA Championship respectively. Zander also won the Vodacom Origins of Golf event at Zebula.*

*I also work with numerous players on the Sunshine Tour including but not Jacques Blaauw, Pieter Moolman, Chris Swanepoel, Teaghan Gauche and Louis Albertse.*
