

GOLFWISE – A PGA of SA Initiative presented by Price Waterhouse Cooper

Quarterly Newsletter - December 2018.

The lessons during the last quarter focused on doing revision from what they had been taught during the year from the Greenkeeping 101 file. For example, the maintenance of a green and they also did practical revision on the Tee box that included the cutting of a new pin position on the 9th green.

Graham Tregear also taught them how to prepare a CV, developing a career as a golf caddy as well as etiquette on the golf course, particularly around the green.

The two practical projects, fixing the bunker on No 5 and realigning the tee box on hole 15, are still a work in progress and will be completed next year.

Monday 26th November was graduation day and that was held at the Glencoe Correctional Services Centre and attended by the Area Coordinator, Development & Care Mr. SD Mkhaliphi, the Divisional Head of Development, Mr. MB Mthethwa as well as Gert Roos, Skills Development and Mark Nero who facilitates the program. Jason Bird, represented the PGA KZN region and Graham Tregear, PGA Professional and Golf 101 lecturer was also in attendance.

Eight inmates graduated after completing the Golfwise courses on Golf 101 and Greenkeeping 101. They worked hard throughout the year and we hope that upon their release, this certificate will help them find meaningful employment to make an honest living to put food on the table for their families.

We would like to thank the Glencoe Correctional Services Centre for their support.

On behalf of the KZN PGA Region, we wish you all an enjoyable festive season and a Happy New Year.

From,

The KZN PGA Region
