Nicole is a Class AA Professional in good standing with the PGA of South Africa. Alongside Doug Wood, she serves as the Head Teaching Professional at Wanna Be a Champion at Serengeti Estates.

Nicole is a world-class golf coach, guiding numerous tour players and aspiring tour professionals. Her academy boasts at least 11 male and 7 female professional golfers on tour as well as 13 top amateur players who represent their province or South Africa. Her players are continuously winning events all around the world, with her most recent accolade being Zane Kleynhans' victory at The All Africa Games earlier this year.

Nicole is the most dedicated coach I know, always prioritising her players' needs above her own. She is fully invested in their golfing journeys, going above and beyond what most coaches would do. Nicole is a true professional and a great ambassador for the game and the PGA.
