BLACKBIRD-GOLF - RANDPARK

Randpark Club has worked with passion to position itself as the ultimate urban lifestyle destination. We successfully hosted the 2018 Joburg Open, 108th SA Open and we will be hosting the 109th and 110th SA Open. We were chosen to host the Nomads Nationals for 2019 drawing in excess of 360 players from South African clubs, Botswana, Zimbabwe, Swaziland, Australia, Zambia and New Zealand. Randpark Club has for seven consecutive years been awarded the accolade of The Best Golf Course in Johannesburg.

The Club boasts a host of lifestyle offerings such as a golf shop, state-of-the-art fitting and repair centre, driving range, running track, health & wellness centre and tennis academy. The family and child-friendly atmosphere makes Randpark undoubtedly one of the most desirable destinations in Johannesburg.

Blackbird-Golf was founded and is being operated by Stuart Blackie at Randpark in January 2019 and has made a significant impact on the members of the club, and visitors coming to the club. Stuart was an integral part of the Randpark team and assisted with the implementation of our strategic plan, Vision 2023.

At the time coaching was outsourced and posed various challenges for the club. Thanks to Stuart we were able to see the potential and opportunity of bringing the coaching services in, under the Randpark umbrella. Stuart drew up various business plans which was considered and it built the foundation of the current structure which we have in place.

Blackbird-Golf is a thriving, new business at Randpark, it is very well supported and grows from strength to strength each month. Services have already started to expand outside of the club. Stuart's passion, dedication and entrepreneurial skills have shown that a great idea can take flight and grow, even in the toughest of economic conditions.

We are proud to have Stuart and Blackbird-Golf at Randpark, we look forward to seeing this business grow to new heights.

Yours faithfully
